

The Field Grade Leader

Building Efficiency as an Organizational Leader

Obstacles:

- Organizational leadership = more work than you can accomplish directly
- There's always one more task, one more initiative, or one more battle rhythm event
- Organizational leadership requires a deliberate approach each day

Tips:

- Focus on [priorities](#)
- Maintain personal systems (example = your [inbox](#))
- Strive for a [balanced life](#) – more work will be there tomorrow
